President's Message

CONFUSED.....

I am not sure if I caught this confused condition from one of the octogenarian guys at our club house or if I just didn't notice it until my last birthday. But lately, for some reason, I am now more confused than ever.

It is difficult for me to understand, if I switch from my current car insurance company, how I can save \$500 on my car insurance when I now pay only \$385 ??

Even if a product is made in China, where they pay \$1.50 per day, how can a store sell something for 75% off and then, if you have a coupon, deduct another 10%?

To add to my confusion, why does the TV evangelist Ocello Dollar, who is already spreading the "word" on the fastest media known to man, need a new Gulfstream jet to "spread the word"??

If I can purchase a "Vegematic" food processor that will "perform every kitchen task I need" for only \$19.95, why would I need a second one for only shipping and handling?

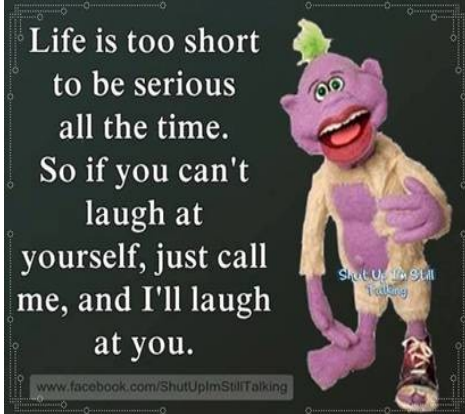

Driving by the numerous new car dealers in their huge multimillion dollar showrooms, I am confused about their claim of selling their cars "at dealer cost"??

Driving up to the take out window at McDonalds, as I was reaching out of the driver's side to pay, I noticed a sign with instructions.... in brail??

I need someone to explain to me why drinking water that is a cloudy brown color and you can't see the other side of the glass... meets the government safety requirements.

To add to my already confused state of mind, the other day I had to use the restroom. Much to my surprise, one door had a triangle and was marked LBGT? Oh well, I think I will hold it until I get home.

Lipizzan Stallion Show

Our club was welcomed at the Lipizzan Stallion Horse Show in Myakka City. The crowd loved our cars as much as they did the horses! So much so, they would like our club to return next season, free entrance and preferred parking!

42nd Gilchrist Park Show

The day for our 42nd annual Gilchrist Park car show was **PERFECT!** The pictures tell the story great weather, great cars and great club members made our big day a total success! Thanks to everyone who pitched in! Show participants would come up to me and want to join our club and I would ask "Why?" They would always answer: "Cause you have the greatest club I have ever seen!"

A bank is a place where they lend you an umbrella in fair weather and ask for it back when it begins to rain!
