Presidents Message

Okay, I need some assistance.

Does anybody out there know where the last 8 months went? I realize I am getting older and more forgetful, maybe I forgot where I put them? Maybe they are with my missing car keys, glasses and cell phone. My calendar is proof that 8 months have passed since we started up our many club activities.

Already many of you that are heading North are asking, "What do we have planned for next year"? We have already scheduled our Halloween party, monthly Alive After Five cruise-ins, Christmas party, Boat Cruise, car shows, more poker runs, more trips to exotic places like Arcadia and beyond.

As of this date our club has been asked to take over the monthly McDonalds cruise-in. By adding activities, contests, special happenings, etc., Peace River Car Club can make the McDonald's cruise-in a "sell out" event.

In hopes of planning some summer events, Audrey & Mike Sundin have been gathering names of those of us interested in having some summer fun. There are numerous places to go that are not affected by the weather. Mike is pushing for a tour of the many local wineries that provide samples!

Mike, another cool idea would be a tour of the local Blue Bell ice cream plant, I know they have some really good treats. Also, a tour of the air conditioned Cheney Brothers facility would be worth a look. I also checked on a tour of the Wal-Mart plant on Rt 17. They can only handle small groups and believe it or not, that huge building is a big freezer. They will provide heavy insulated parkas for the tour.

Oh, I just remembered where the past 8 months went....that time was spent sharing good times and building memories with our friends! Mary & I would like to thank everyone for your help, understanding and consideration during this past season.

Whatever you do to enjoy the summer, stay healthy. We have plenty more years to share and enjoy our friends. See ya soon,

Craig & Mary Henry

Iggy the iguana wanted to join our club. He heard about ice cream and pie Friday and decided to drop by. Membership declined.

**No these are not pictures of Joe Schaefer during his “Mafia” days....
and no that is not Ray Kent’s new girlfriend!**

We were invited to drive some of the members of the Mural Society of Punta Gorda and as you can see it was quite an affair.

Happy Memorial Day!

There is always something interesting going on at our monthly Alive After Five. Since our old cars do not have backup cameras, Dean provides the old fashioned method of backing uphand signals....

I am worried about the mental acuity of our club members. It took four guys to find out where the battery was in Brian Higgs new car. And another four to find out how to turn on the ice maker in the refrigerator!

Ron & Sally Muschong put on another great poker run!

I guess the word got out how much fun everyone had at the first one... as you can tell by the pictures we had a full house.

A BEAUTIFUL POEM ABOUT GROWING OLD.

CRAP... I FORGOT WHAT IT WAS...

How many do you remember?

Head light dimmer switches on the floor.

Ignition switches on the dashboard.

Using hand signals for cars without turn signals.

*In honor of Memorial Day
Thank a soldier and pray
for them
all.*

SUMMER CALENDAR

While many of our members go north in the summer, there are still quite a few that are here year round. Although we do not have meetings in June, July, August or September, we do plan activities. If you have any ideas, please email:

president@peacerivercarclub.com

NOTE: Clubhouse will close for the summer on May 28th.

I was in a coffee shop recently when my stomach started rumbling and I realized that I desperately needed to "pass gas." The place was packed, but the music was really loud, so to get relief and reduce embarrassment I figured I could time my farts to the beat of the music.

I was really proud of myself and after a couple songs I started to feel much better! I finished my coffee when I noticed that everyone was looking at me....and suddenly I remembered....

I had my earphones in and I alone was listening to the music!
